Buy now he's getting grumpy and likes to stay at home.

From the comfort of his chair he watches the screen all day long  
From the comfort of his chair he watches the screen all day long  
He's getting kinda lazy and can't see that any thing is wrong.

Yes he's a modern man that doesn't seem to care about the world or where it's at  
Yes he's a modern man that doesn't seem to care about the world or where it's at  
He's indifferent to the future takes comfort form the glorious past.

He believes the corporation that every thing will be all right
